Water, desalination + reuse provides industry news, analysis, and technology updates for desalination and water reuse professionals globally. We cover project finance, consulting engineers, contracting, design and build, operations, original equipment manufacturers, and academic and industrial research. Our 4,000 readers comprise International Desalination Association (IDA) members, government ministers and staff, public works officials and planners, engineering and design firms, plant operators and contractors, and political officials and staff at federal, state and municipal levels. www.desalination.biz © 2017 FAVERSHAM HOUSE LTD Published by Faversham House Ltd with the cooperation of the International Desalination Association. Printed by Buxton Press Ltd in the UK. Water, desalination + reuse is published quarterly in March, June, September and December.

Water, desalination + reuse is a member of the Independent Press Standards Organisation (which regulates the UK's magazine and newspaper industry). We abide by the Editors' Code of Practice and are committed to upholding the highest standards of journalism. If you think that we have not met those standards and want to make a complaint, please contact the editor. If we are unable to resolve your complaint, or if you would like more information about IPSO or the Editors' Code, contact IPSO on 0300 123 2220 or visit www.ipso.co.uk.
